Summer Registration Begins

Week of March 12-
CDO closed for Spring Break

February Tuition

One day = \$160

Two days = \$235

Three days = \$310

Four days = \$385

Fall 2018 Registration Begins on Thursday, February 1st

Registration for Fall 2018 begins on Thursday,

February 1st. Please see the **attached** registration flyer and return beginning Thursday, February 1 with your child's \$100 non-refundable deposit and intended days of enrollment. **Priority for Fall 2018 is given to currently enrolled students, siblings and church members until Thursday, February 8!** It is imperative

that if you plan to enroll your child for fall that you turn in your registration by February 8. This ensures that you are able to register for the days that you want your child to attend since the CDO has been running at full capacity over the last several years!

All tuition costs will increase by \$5.00 starting in September 2018. Supply fee costs remain the same. See attached registration form.

Summer registration for our currently enrolled students begins Thursday, March 1st. Cost to register for summer is \$50 per child. We only have a total of 54 spaces for summer, so it is important to register on Thursday, March 1!

Valentine's Day Classroom Parties

Each teacher will post a sign-up to bring a treat to share with your child's class, plus any additional information about the individual classroom parties, such as date and time. In addition, we ask that you bring a Valentine to exchange for each child in your child's class. Attached to this newsletter is all four class lists with the names of all students on all four days that the CDO is open for that age group. **ALL** children at the CDO are invited to attend the Valentine's Parties in their respective classrooms if the parties are scheduled on a day that your child does not usually attend.

Valentine's Parent's Afternoon Out Saturday, February 10 4:00—8:00 pm

The CDO staff will host a Parent's Afternoon Out on Saturday, February 10 from 4:00—8:00 pm to allow parents the opportunity to enjoy an early evening out for Valentine's Day! Cost is \$25 for one child; \$40 for 2 children; and \$50 for 3 or more children. Cheese pizza and dessert will be provided. Aged 1-10 years old are welcome. Please bring a water bottle and snack + dinner if your child will not eat pizza. We will need to have at least 20 children sign up for the event to be cost effective.

Is your child's file current and complete?

The State of Texas requires our student files to be current and complete as per laws orchestrated by Child Protective Services. When a child registers in our program, the parent indicates that a signed copy of a health statement will follow within the year. The state gives us this grace period for the parent to indicate and then confirm that the child has been seen by a physician within the past year. Please remember to have a copy of this form signed and also to obtain a current immunization record at your child's next well-child appointment following their birthdays. Please let us know of any phone, email, job, or other contact information changes so your child's file is current. As a reminder, children are required to have a vision and hearing screening done at their 4 year well check. Please see Debra or Alicia if you have questions about your child's file.

FYI: For Your Information...

- **SUPPLY FEES are due with MARCH tuition:**
Supply fees for one day: \$60, two days: \$70, three days: \$80, and four days: \$90
- Please continue to **LABEL EVERYTHING** that your child brings to school, especially jackets, coats, lunches, sippy cups, and water bottles. The teachers appreciate your help!
- **Weekly Email?** If you are not receiving a weekly email on Sunday from the CDO, please let Debra know since email communication is the most effective way for the CDO to send timely updates and information.
- **Just a reminder:** If there is bad weather, we follow Austin Independent School District's lead for school closures. If AISD closes **or** starts school late, **the CDO will be closed** and an email will be sent to confirm the closure. However, it is suggested that in cases of inclement weather that parents stay tuned to local news or check the AISD website as the CDO will always abide by AISD plans and will not open in the event of AISD closures or delays. In rare cases, the district may not announce this information quickly enough to send a timely email.
